

A Germ's Journey

Dirty Hands! Clean Hands!

1

You can't see germs but they are there

2

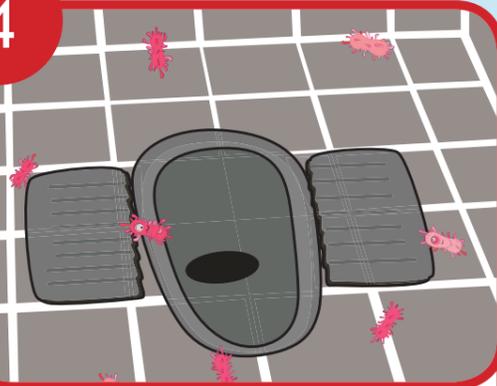

Now the germs are in your mouth and tummy

3

Germs make you sick!

4

You can't see germs but they are there

5

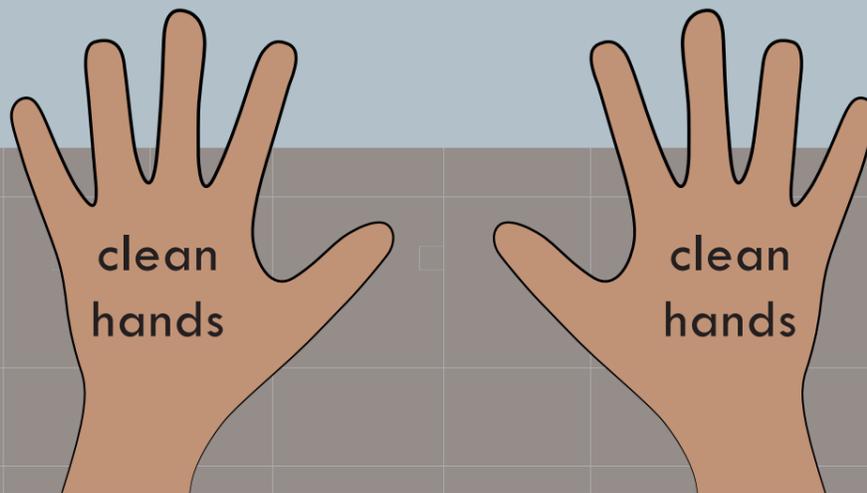

When you go to the toilet always wash your hands

6

Bye Bye Germs!

7

When you go to the toilet always wash your hands

Sewage Water

Flood Water

Tap Water

Always use clean water to wash your hands
